ACTIVITIES DURING THE ACTIVE PHASE OF RUSSIA'S WAR AGAINST UKRAINE

We started working with internally displaced persons (IDPs) on February 28, 2022 (from the first days of the active phase of the war)

The main directions:

Humanitarian aid and support for internally displaced persons hosted in the Zastavna area.

Every week we issue more than 100 packages of humanitarian aid with food, household chemicals and hygiene products (including pads for women, diapers for children and sick adults who need them).

Also we sent humanitarian aid to the territories of active hostilities (Trostyanets and Kharkiv). More than **400** litres of stew, **3,000** candles, **20,000** matches, **1,000** packs of yeast, as well as diapers for adults and children were sent by train to Trostyanets. Also, food, hygiene products and household chemicals were sent to Kharkiv.

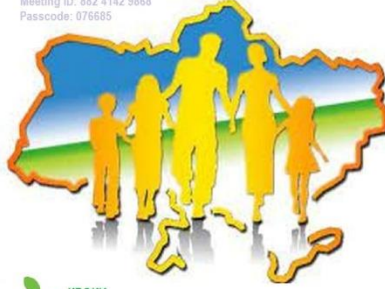

The center's activities are reported on the official Facebook-page of the NGO and in Viber group "Zastavna Support Center" (approximately 200 users)
